COLLEGE BASEBALL COACHES CAMP

THE BEST
OF IT'S KIND!

*The only camps that are run by college coaches,
staffed by college coaches, and have
instruction, evaluation, and recruiting.*

WORK WITH THE BEST COLLEGE COACHES TO UNLOCK YOUR GAME

High school players will interact and learn from some of the best coaches in college baseball. Every player who attends may not go on to play Division I ball—it's competitive to land a roster spot at any level—but we work hard to unlock some part of each player's game. We make the time spent worthwhile.

SHOWCASE YOUR SKILLS TO LEADING COLLEGE COACHES

Our camps also offer a showcase. College coaches from all levels receive a firsthand look at all parts of each athlete's game.

Pitchers throw bullpens (and live in games at most events). Position players do pregame defensive workouts. Hitters will hit bp (and live in games at most events). All players run 60 yard dashes and receive strength training instruction.

The results speak for themselves. Many of our players have made college rosters.
